

Matches

Matches must be pre booked in advance – to book a match call Allstars 01934419111

- Messaging staff or saying on the day we both here can we play the match will be turned down

All Matches are to be played on tables 10-17

When tables are being booked 2 hours is allocated for the match – so don't be late, If you wish to practice before the match this is chargeable

You Match tables are decided by the staff and not the player

Any Match on table 17 will be live streamed onto the private Facebook group page.

Matches are to be attempted to be played in order – but we do accept that people have holiday, work and lives outside of pool however any match that is more than 1 week ahead of schedule needs to be authorised by Brendan Sheridan – Eg your on week 2 you can play week 3 if you cant play week 2 game but must catch up the week after. The only time a larger exception will be made is your opponent is on a 2 week holiday – in which case you need to contact Brendan

All matches are expected to be played in a respectful manner – people do get passionate, but we will not accept any form of bullying or cheating

Any issues within a match are to be brought to the Staff attention straight away as issues will not be dealt with if not raised at the time.

Scorecards are to be used for all matches and must be signed and returned to the bar after use.

Any Match played out of order without permission will result in match being void and both players being charged for the table.

Players can not play 2 matches in 1 day

Any match that is over 2 weeks behind schedule will need to explain the reason why and suitable action will be taken by the Money League Committee

Unacceptable behaviour

Any general behaviour that is deemed to be unacceptable could result in points deduction or even being removed from the league and future leagues

Other examples of this are

Players who fail to turn up for agreed matches

Players who continually turn up late for matches

Arguing with staff members or pressuring staff members to give you extra tables when already fully booked / late notice or for free practice

Failing to respond to messages – We are not saying you need to respond instantly as you could be at work with your family etc, but to not to help progress the conversation of the match being organised forward is unacceptable – if your away let your opponent know so they can look into their next match.

As a committee we are going to have to be firm on players as a couple bad eggs ruin it for everyone.

To my knowledge this is the only Money League with no table fees on this scale so please support the business and purchase a drink or some food whilst in the venue – Any player who is found to constantly not support the business and the money league will be charged a flat rate of £3 per match.

Format

Leagues will consist of a max of 16 players

Each season the top 2 and bottom 2 will be promoted and relegated automatically

On top of that there will be 2 play off for promotion and relegation, (eg League 2 3 place will play League 1 14th place and League 2 4 place will play League 1 13th place)

League Matches are best of 14 and all frames must be played

Cup Matches are best of 15 – Match finishes when one player reaches 8

The League will start on 05/05/25 and will finish on

All Matches are played to International Rules

Lag for first frame then alternative

Any player who fails to complete fixtures will be removed from finals night lose entry fee and not allowed to play in the next 2 seasons.

3 Points for a win, 1 Point for a draw

Positions will be done on Points, Frames Difference, if still tied at the end of the season a head to head match will be needed to decide position if required for finals night or relegation / promotion – the previous head to head will not be used.

Finals Night / Payout

End of the season the league is split into 4 groups of 4

Group 1 League Positions 1-4

Group 2 League Positions 5-8

Group 3 League Positions 9-12
